

Easy Prefabricated Homes (Pvt.) Ltd Ready to Invest in Prefabricated Homes in Punjab

Nov 11, 2019

The management from Easy Prefabricated Homes (Pvt.) Ltd. visited Punjab Board of Investment and Trade for discussing the potential of establishment of production facility for prefabricated homes in Punjab. The representative from Easy Prefabricated Homes (Pvt.) Ltd. shared their investment plan and announced to invest USD3Mn for establishing this production facility in Punjab. Representatives from Easy Prefabricated Homes (Pvt.) Ltd. appreciated and thanked PBIT for extending an overwhelming response and support throughout the period of conceiving this idea and discussing the need based impact of this project. Realizing the importance of construction sector, the management of PBIT assured them of maximum support in executing the plan for establishing the production facility for prefabricated homes in Punjab. This announcement shall encourage local and international investors to benefit from incentivized construction sector and shall help as a solid example case for other Chinese investors to further explore Punjab.
