

## **Jintai Chemicals to Start Chemicals Production in Punjab by Investing USD1.25Mn Initially.**

Nov 17, 2020

A delegation comprising of sponsors of Jintai Chemicals interacted with the management of Punjab Board of Investment and Trade for discussing the potential in manufacturing facility for chemicals in Punjab. The sponsors from Jintai Chemicals shared the details about their investment plan and announced to initially invest USD 1.25 Mn in the chemical production sector for which PBIT provided them fullest support and facilitation. Jintai Chemicals thanked PBIT for a strong follow-up and streamlining the processes for final execution plan of establishing chemicals production facility in Punjab. This investment announcement shall contribute towards encouraging local and global chemical industry players to setup production plants in Punjab.
